Parent Consent: Victory Gymnastic Training Center would like to advise you that the sport of gymnastics may at times be hazardous and the possibility of bodily injury exists. By signing this consent, you acknowledge that you have read and understand this advisement and you, the Parent/"Guardian", will accept full responsibility for any injury, which may occur.

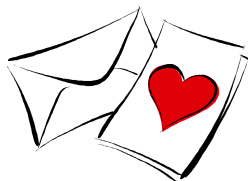

Victory Gymnastics' Training Center coaches are "Safety Certified" with many years of gymnastics' training experience. They bring out the "Champion" in your child and make learning fun and a very rewarding experience! Victory's goal is to further the happiness, education, and health of our clients and to become friends and mentors for the students who come through our doors.
